

## New Hotel To Open In Feb.

Spectacular fanfare will mark the opening in mid-February of this area's newest luxury hotel, The Pen & Quill in Manhattan Beach, whose catch phrase "where world travelers meet" provides the theme of its decor and design.

Before a guest list including congressmen, city officials and filmland celebrities, opening ceremonies will include ribbon-cutting by stewardesses

representing the major airlines. Nearing completion, the 200-room three-story structure, costing \$2 million, is conveniently located two miles south of the Los Angeles International Airport.

The hotel-restaurant has already been selected as the scene of many of the important social events of the 1962-63 season. Heading The Pen & Quill is Bob Reuben, interna-

tionally famous as a former war reporter and foreign correspondent, from whom the establishment derives its journalistic name.

"Things are getting complicated. Remember when every question had only two sides?" — Kenny Bennett, Greencastle (Ind). Putnam County Graphic.

## Torrance Student Seeks Scholarship

A Bishop Montgomery High School senior has been named as one of six semifinalists in the annual Armco Steel Corp. community scholarship plan.

Selected along with five students from the Los Nietos area was Michael Roger O'Gara, 5019 Lee St. O'Gara and the five Los Nietos area seniors were selected from 65 seniors who took preliminary scholarship

aptitude tests in October. The tests were administered by the Educational Testing Service of New Jersey.

This is the third year the scholarships have been offered in the Torrance-Los Nietos areas, and were started here when the National Supply Co. became a part of Armco. Sons and daughters of Armco employees are eligible to compete. The scholarship offered here is one of 20 offered in Armco plant communities. Each is valued at \$650 a year for four years.

In addition to the scholarship, an award known as the George M. Verity Memorial Scholarship is given to the son or daughter of an employee from the national group of semifinalists who places highest. It is valued at \$1,000 for the first year and \$750 for the remaining three years. Final winners will be announced in May.

## Scholarship Merit Award Won by NHS

North High School is recipient for the third consecutive year of the award of merit, based upon the collective scholarship record of graduates who entered the University of California during the three-year period, 1958-1961, according to Richard D. Guengerich, principal.

In previous years, the board of admissions and relations based these annual awards on the first semester scholarship records of freshmen entering the university in the most recent academic year.

Frank L. Kidner, university dean of educational relations, stated that beginning this year, however, the awards are based on cumulative three-year periods.

ACCORDINGLY, the divisions in which the awards are offered have also been changed as follows: Division I, 100 or more entrants to UC in a three-year period; Division II, 60 to 90 in a three-year period; Division III, 30 to 59 in a three-year period; Division IV, 20 to 29 in a three-year period; Division V, 10 to 19 in a three-year period; Division VI, new schools (having had graduates for less than three years). North High School has won an award in Division IV.

"The Army's the only place where a commission is better than a straight salary," — Max Miller, Bellows Falls (Vt.) Shopper.

## Marineland Restaurant To Salute Seventh Year

The Southwest's nationally famous dining establishment, Marineland Restaurant on the Palos Verdes peninsula, will observe its seventh anniversary with a two-night celebration on Jan. 24-25.

Sparking the occasion will be "open house" parties, serving complimentary cocktails and hors d'oeuvres, plus musical entertainment by The Barry Dane Show. The six-piece vocal-instrumental group, which just opened its initial engagement at Marineland Restaurant, will continue appearing in the "Porpoise Room" through Feb. 10.

RITA NESS, who doubles on the piano, is featured songstress with the music-makers. Instrumentation includes Barry Dane, drums-singer; Mark Bradshaw on guitar; Andy Gaggos, sax, trumpet, piano, etc.; Donnie "Boo-Boo" Holland, bass and comic; and vocalist Tony Roberts. Marineland Restaurant was first opened by owner George

M. Foster in 1955, four months after the unveiling of the adjacent oceanarium. With the start of its eighth year, Foster plans an imposing entertainment program for 1962, extending the "big-name" policy he inaugurated five years ago in the "Porpoise Room."

THE GREAT array of musical artists will be announced as soon as contracts have been signed.

The culinary attractions play no lesser role than those of the musical category. Marineland Restaurant's kitchen is ruled by Chef Dutch Holland and his departments live up to the intriguing menu, which not only includes everything delicious in seafood, but also specializes in chicken, charcoal-broiled steaks and other meat dishes. The dining showplace is open seven days a week for luncheon, cocktails and dinner.
